MISCELLANEOUS.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE.

Circular No. 2015-24, *dated Bangalore,* 27*th August* 1906.

In their Proceedings No. R. 16127-65—L. R. 674-05-5, dated 21st June 1905, Government have noticed that, in the case of Mr. D. Subba Rao, Amildar, who was recently retired from the service his service Register was not properly maintained and that entries regarding his date of birth in the annual schedules of establishments were neither consistent with one another nor in accordance with the Service Register. In this case it is clear that the diverse and inaccurate entries made in the said returns could have been avoided if they had been compared with the Service Register and duly checked in the manner prescribed by Article 55 of the Civil Account Code (Volume I, 6th Edition). The undersigned is therefore led to fear that the provisions of Chapter XXIV of the Mysore Service Regulations regarding the maintenance and verification of Service Books for non-Gazetted officers and the detailed instructions laid down in Article 55 of the Account Code for the preparation of the Annual returns of establishments are not being observed with due care and attention. With a view to these instructions being fully carried out in future, the attention of all heads of offices in the Revenue Department is drawn to Government Order No. 13911-50—P. & A. 1216, dated 18th March 1903, and the Comptroller's Circular No. 2019—P. & A. 989, dated 20th June 1903, (published at pages 742-3 of Part II of the *Mysore Gazette*, Vol. XXXVII) regarding the posting up and verification of Service Registers and the annual circulars of the Comptroller about the annual returns of establishments.
